

SPORTS AND RECREATION COMMITTEE
RULES FOR INTER-CIRCLE TOURNAMENTS

To participate in the inter-circle tournaments you must be either an owner or a renter who rents for a minimum of 2 months from November thru March. Guests of owners or renters may participate if they meet the minimum age requirement of 55 years and reside in the park a minimum of 2 months from November thru March. Guests may only represent one circle. If an Owner lives outside the Park and their unit is not rented during the season (Nov – March), they are eligible to participate. The Circle Sports Coordinator is responsible for the enforcement of these rules. If there are questions about a person's eligibility, please clarify with the Committee before the start of the season.

You must be in the Park for the final playoffs. All games/sports must be completed in the time allotted. There will be no days added to complete an event.

The individual game/sport rules used for Circle Playoffs are up to the Circle Sports Coordinator. However, at the Inter-Circle Competitions, the individual game/sport Commissioner establishes the rules for their specific competition. Circle Sports Coordinators will report to the individual game/sport Commissioner at least two days before the final playoff date, indicating whether or not their circle will be participating in the competition. This may be waived by the individual commissioner. Names are not required at that time. Commissioner names, email addresses and phone numbers are provided on each sign-up sheet. Commissioners are to promptly provide the Sports and Recreation Committee member (John Manias) with the **number of circles that competed**, and **the first and last name, and circle for the 1st and 2nd place winners**. **Be sure names are spelled correctly**. This information can be phoned or e-mailed to John Manias (239-849-8452, mxniasjohn@hotmail.com). Winners get 5 points, 2nd place gets 2 points.

REMINDER: This sign-up folder must be returned intact to John Manias (Limpkin #37) for an accurate count of participants for this tournament season.
